

CUPCAKE BOX

Kit:

- Box
- Card. (Lid)
- Templates
- Background fabric + Vilene
- Wadding

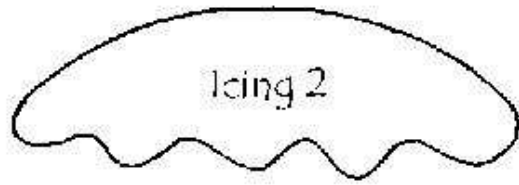

Instructions:

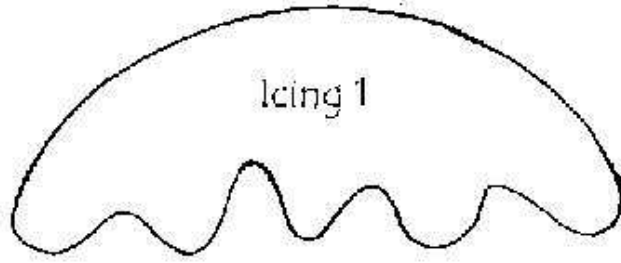

1. Cut out 'Cupcake' in felt.
2. Cut out 'Case' in felt/fabric.
3. Cut out 'Wadding' in wadding.
4. Cut out 'Icing 1' and/or 'Icing 2' in felt.
5. Put 'Case' over 'Cupcake' and stitch lines if required.
6. Add 'Icing', candle, decorations (beads etc) and ric-rac to decorate.
7. Stitch 'Case' to background fabric along both sides and base (machine or hand stitch).
8. Tuck the 'Wadding' into place.
9. Stitch top of cake to background fabric by hand.
10. When cake is complete use box lid, upside down, to frame cake and draw around the outside of the lid.
11. Cut out and stick to self adhesive mount board. (Trim edges if necessary.)
12. Peel cover from double sided tape on the inside of the lid.
13. Turn base of box upside down and place mount board on top with cake facing up. Place lid over to stick board to lid with cupcake showing through.
