

# Festive Felt Ornaments

For each decoration, you will need:

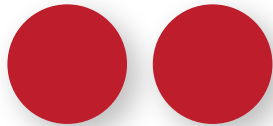

2 x 10cm squares of the same coloured felt  
1 x 10cm square of a different coloured felt  
beads and sequins to decorate your work  
16 cm of thin ribbon  
scissors  
thread  
needles  
pen

Instructions:

1. Carefully cut out all the paper templates.

2. Use the 9cm circle template to cut out two circles from the same coloured felt.

3. Choose a template shape. Place the template in the centre of one felt circle, draw around it and then carefully cut out the shape. You might need to ask an adult to help you.

4. Place the 8cm circle template on the different coloured felt, draw around it and cut out the circle.

5. Place the 9cm circle with the cut out shape on top of the 8cm felt circle and pin together.

6. Stitch around the shape by hand or using a sewing machine.

7. Use beads and sequins to decorate.

8. Place this on top of your remaining circle.

9. Make a loop with the ribbon and pin between the circles. Stitch around the outside edge by hand or machine. If sewing by hand you could use a running stitch or try a blanket stitch.
