

FUNKY FLOWERS

Requirements:

- Calico rectangles for background and backing.
- Wadding.
- Variety of fabric scraps.
- Buttons, beads, sequins for embellishing.

How to make your wall hanging:

- Choose your background size and shape.
- Cut flowers / petals and place them on the background adding stems / leaves as required. Machine in place.
- Embellish with sequins / buttons / beads
- Lay the hanging right side up. Cut strips of calico for hanging loops and pin in place. Place backing right side down and finally wadding on top. Pin and machine stitch around all sides leaving a gap. Turn right side out, hand stitch gap closed. Top stitch around the edge.
