

## Spring decorations - Star

*You can sew this project by hand.*

### You will need:

Felt

Scissors

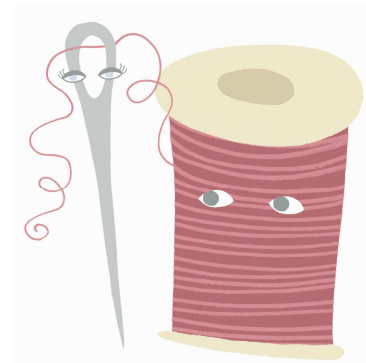

Cotton fabric

Template sheet

Glue

Needle and thread

Cotton balls for filling

1. Cut out two stars and two circles from different fabric.

2. Glue the circles onto the stars.

3. Sew the stars together, but leave about 3-4 cm opening. Keep the needle with thread.

- Use the opening to fill in the star with cotton balls, make sure you fill all tips of the star rearrange it so it stays nicely even.

- Close the opening by stitching it, make a knot and cut off the remaining thread.

- Sew a handle onto the finished star and you are done.

*Have fun and use your imagination, the possibilities are endless.*
