

Spring decorations - Rooster

You can sew this project by hand.

You will need:

Felt (two different colours)

Scissors

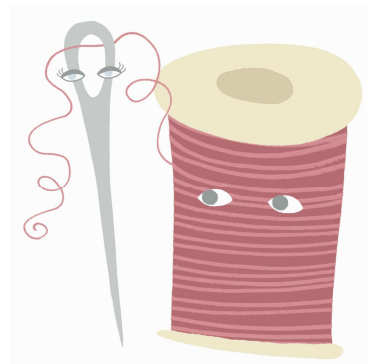

Template sheet

Pencil

Needle and thread

Cotton balls for filling

Thimble

TIP: Instead of felt you can use any solid or patterned cotton fabric

1. Cut out two bodies and two wings from different colour/ fabric.

2. Glue the goggle eyes and the wings (different colour to different body) onto each body of the rooster.

3. Glue the heads of the roosters together as shown on the picture.

4. Sew the roosters together, but leave about 3-4 cm of opening, keep the needle with thread.

5. Use the opening to fill in the rooster with cotton balls rearrange it so it stays nicely even.

6. Close the opening by stitching it, when you finish make a knot and cut off the remaining thread.

7. Sew a handle onto the finished rooster and you are done.

Feel free to use your imagination, the possibilities are endless
